Thanks to those who attended our April Workshop!

On April 6th, 2013 NMTESOL brought TESOL professionals from around the state together for professional development including presentations covering pronunciation, teaching in multi-level classes, classroom techniques, and cognitive learning theory.

Overall the workshop was a success.

NMTESOL and workshop attendees would like to thank all this year's wonderful volunteer presenters: Yolanda Denny (from CNM), Amber Gallup Rodriguez (in Taos), Gabriel Roybal (CNM), Nicholas Santavicca (ENMU), and Cathy Varney (NMCL/ReadWest). Without them, NMTESOL would not be able to provide such fine professional development opportunities.

We would also like to thank Dr. Pam Étre-Peréz and the School of Adult and General Education (SAGE) at CNM for the use of their facilities.
